Campus HVAC Scheduling

- See the Facilities Management website for detailed explanation
- Email hvacsch@uark.edu with your requested after-hours need
- If something happens and your after-hours schedule is missed
  - Do not hesitate to call the after-hours service number at UAPD (575-2222).
  - In most instances, Controls staff can make those adjustments remotely if necessary.
Campus Space Temperature Policy

- We do not shut buildings off!
- Summer Range: 71 to 75
- Winter Range: 69 to 73
- Standby Setting: (based on the space Occupancy Sensor)
  - Relax 3 degrees from set point
- Unoccupied Setting: (based on the Building Schedule)
  - Relax 6 degrees from set point
Utility Outage Coordination and Notification

- **UOCC** – Utility Operations Coordination Committee – New proposed UA committee to assist in advising Facilities Management on the planning and scheduling of future utility outages so that all campus interest are represented

- **Outage Notification**
  - General email announcement to DDDs / BEs
  - University Relations broadcast email 3 to 5 days out
  - Elevator signage distribution email 3 to 5 days out
  - Final University Relations broadcast email the day before

- **ua-heat-and-light@listserv.uark.edu**

  - Have set up a special list services to provide direct-to-customer information on proposed outages, service interruption updates, and other information about the campus utility systems relative to the campus at large
Campus Switching Outage!

• Monday, **October 19th** (Fall Break)
• Electrical outage, not exceeding 1 hour
• Beginning at **5:00 AM and completing by 6:00 AM**
• Different areas, different times
• No area longer than 30 minutes
